

FARMINGTON WRESTLING

On behalf of the Farmington Wrestling Club, thank you for your consideration in partnering and contributing to the 2021-2022 wrestling season. Your contribution to our wrestling program is instrumental in helping ensure we can provide a high-quality program to the more than 200 PreK-12 wrestlers (boys & girls) in our program. Wrestling is such an amazing sport that provides not only an opportunity to wrestle but also an opportunity to learn life-long skills that help to develop discipline, character, tenacity, teamwork, and leadership. The Farmington Wrestling Club is a 501c, tax ID 45-3574147.

Thank you for your consideration in donating to our silent auction. We cannot run the program we do without the support from our donors.

Sincerely,

Farmington Wrestling Club
